Re: Food Allergy Testing

**KEEP THIS NOTICE WITH THE  
SUMMARY PLAN DESCRIPTION**

The Board of Trustees has amended the Pensioners and Surviving Spouses Plan, effective January 1, 2016, to add food allergy testing as a covered benefit, removing the exclusions for food allergy testing currently found in Section 11(I) on page 123 and Section 15(51) on page 131 of the Summary Plan Description . As with any medical benefit, the testing must be ordered by a Physician and must be Medically Necessary.
