Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	<b>\$250</b> individual / <b>\$750</b> family	You must pay all Allowable Charges up to the <u>deductible</u> amount before this <u>plan</u> begins to pay for covered services you use. Your <u>deductible</u> starts over January 1 <sup>st</sup> . The amounts you pay over the Allowable Charge, or <u>allowed amount</u> , do not count toward the deductible. See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> . The <u>other deductibles</u> for specific services do not apply to the overall <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes, vision.	Vision services do not require you to meet a <u>deductible</u> before coverage begins.
<b>Are there other <u>deductibles</u> for specific services?</b>	Yes. <b>\$50</b> for <u>prescription drugs</u> ; <b>\$50</b> per device for hearing aid, and; <b>\$50</b> for PPO dental election, up to <b>\$150</b> family. There are no other specific <u>deductibles</u> .	You must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay for covered services you use. The overall <u>deductible</u> does not apply to prescription, hearing aid, and PPO dental services..
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	Yes: In-network: \$9,200 individual, and \$18,400 family. Out-of-network: \$18,400 individual and \$36,800 family.	This is the most you <b>could</b> pay in deductibles and coinsurance during a calendar year for your share of the costs of covered services. The overall, prescription drug, and hearing aid deductibles apply to the out-of-pocket limit. After you meet this limit the <u>Plan</u> will pay 100% of the <u>allowed amount</u> , also referred to as the Allowable Charge. This limit never includes your <u>premium</u> , <u>balanced-billed charges</u> , or out of network payments that are over the <u>allowed amount</u> .
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	Non-covered services and amounts over the allowance are not included in the out-of-pocket limit.	If you use an out-of- <u>network</u> provider only the <u>allowed amount</u> , referred to as the Allowable Charge in your Summary Plan Description, applies to the yearly <u>out-of-pocket limit</u> . Non-covered services and costs over the <u>allowed amount</u> do not apply to the <u>out-of-pocket limit</u> . Some benefits have dollar or visit limitations, amounts over those limits do not apply to the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes.	If you use an in- <u>network</u> doctor or other health care <u>provider</u> , this <u>plan</u> will pay some or all of the costs of covered services. Note that your in- <u>network</u> doctor or hospital may use an <u>out-of-network provider</u> for some services. <u>Plans</u> use the term in- <u>network</u> , <u>preferred</u> , or participating for <u>providers</u> in their <u>network</u> . See the chart starting on page 2 for how this <u>plan</u> pays different kinds of <u>providers</u> .
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without permission from this <u>plan</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
